

PROGRAM

e-JUSTICE PRACTITIONERS' MEETING

31 May 2022

2022 French Presidency gives us the opportunity to screen the initiatives taken by all legal practitioner.

This initiative has continued to develop and all legal practitioners have taken up the **challenge of digital modernisation**. An assessment of the progress made during this decade, which has profoundly changed the way in which judgments are delivered and court decisions are enforced, is eagerly awaited by all those involved in this transformation.
